Are planting efforts equitable?
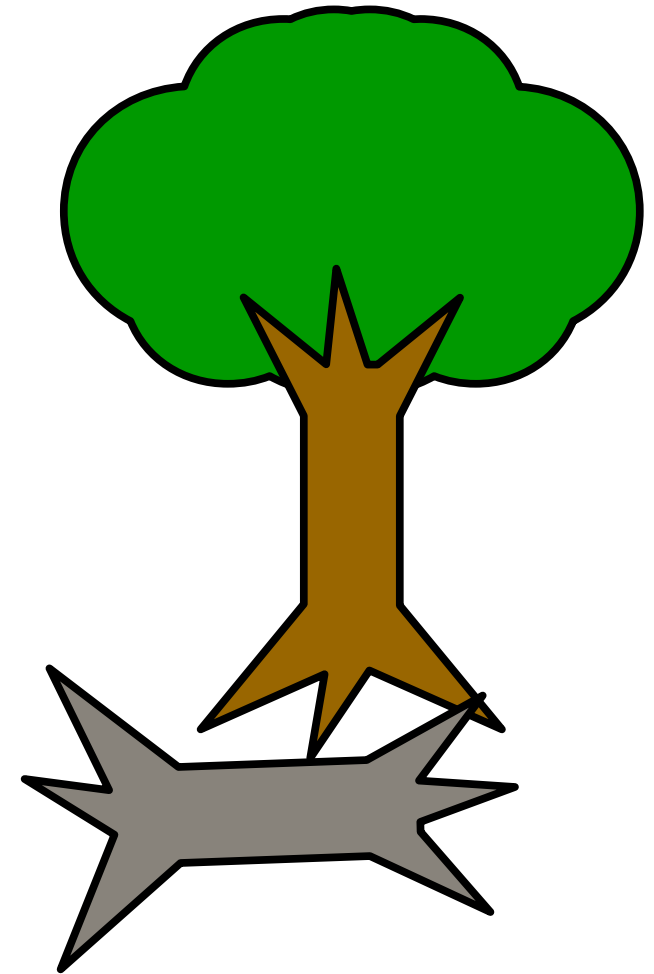

Which trees persist?

| Name	Size	Native?	Type	FIPS	Income	Persist?
planting data				census tracts	income data	tree survey
Norway maple	M	False	Decid.	4105...	Normal	True
Douglas fir	L	True	Ever.	4105...	Low	False

Assessing tree quality trends over time
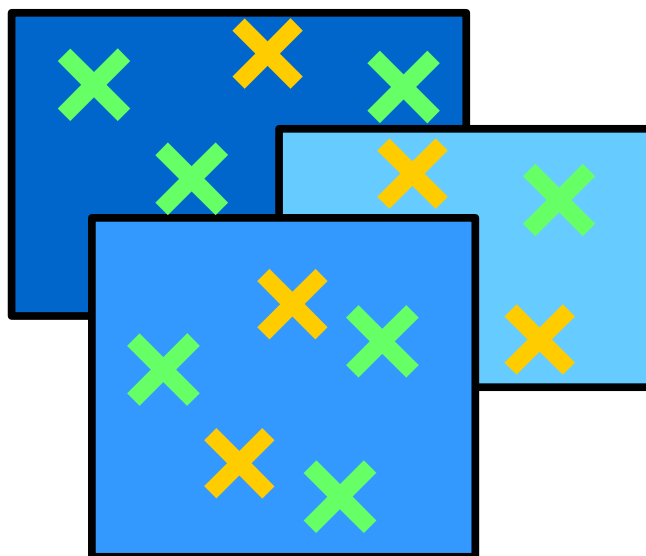

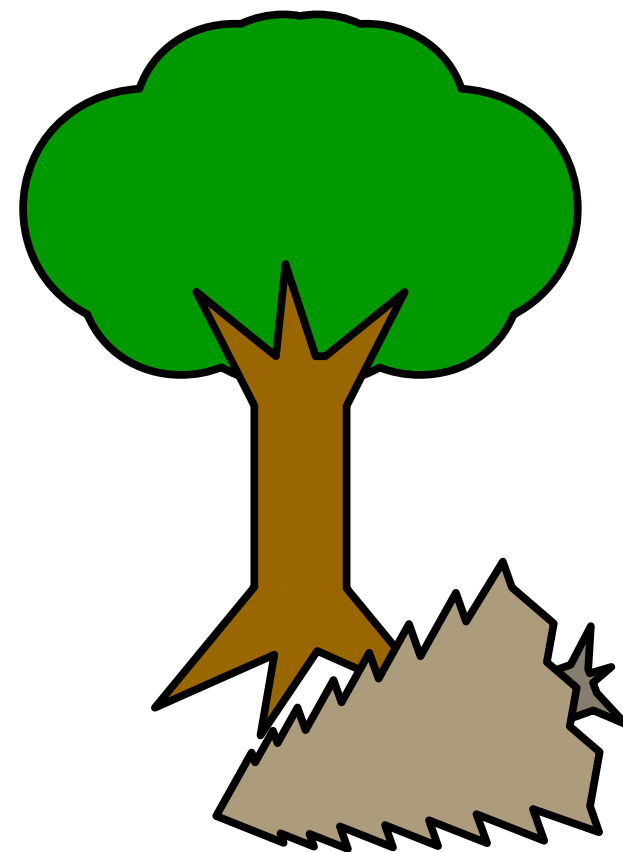

Mapping trees against income

Creating a model to predict persistence

Quality has improved, but needs work

Planting has been fairly equitable

Large, deciduous trees persist the most
